PATIENT FINANCIAL POLICY

Our practice is committed to building a successful physician relationship with you and your family. Therefore, we believe that communicating our financial policy is a good healthcare practice and an essential part of this relationship. Your insurance coverage is a contract between you and your insurance company, not your insurance company and us. We will file your primary and secondary insurances as a courtesy. Please realize that having secondary insurance does not necessarily mean that your services are covered 100%. Secondary insurances typically pay according to a coordination of benefits with primary insurance. It is your responsibility to provide us with accurate insurance information and to inform us of any changes in your coverage as they occur.

Co-Pay, Co-Insurance, Deductibles:

To become a "Provider" of medical services through certain health plans, Dr. Lawrence Handler, Dr. Zachary Pearce, and Carine Meldrum PA-C are required to enter into a contract with these insurance companies. Because of this agreement, you will be responsible for all copays, coinsurance, and deductibles. We are obliged to collect your copay at the time of service per our contract with your insurance company. **Therefore, all co-payments and prior balances will be collected at the time of your visit. Prior to your office visit, please check with your insurance company to determine if you have a deductible or coinsurance amounts.** We accept exact cash, check, and credit cards (American Express, Visa, Mastercard, Discover, Care Credit). We do not accept post-dated checks. Some patients may accrue large balances for services provided. We will work with these patients to set up a mutually feasible payment plan. Please understand that we cannot waive deductibles, coinsurances, or copays that are required by your insurance. This is a violation of our contract with the insurance plans.

Surgery

If you are scheduled for surgery with Dr. Lawrence Handler, Dr. Zachary Percy, or Carine Meldrum PA-C, you may have out-of-pocket expenses (copays, coinsurance, and deductibles). If so, you will be required to pay for those expenses prior to your surgery. Cosmetic surgical payments will be collected **AT LEAST TWO WEEKS** prior to your surgical date.

Cancellation Fee

A cancellation fee of \$25.00 will be applied if your appointment is not cancelled at least 48 hours in advance.

Returned Checks

There will be a returned check charge of \$50.00 payable cash, credit card, or money order. This will be applied to your account along with the balance prior to this fee. You will be placed on a cash-only basis following any returned check.

Medical Record Copies

Patients requesting copies of medical records will be charged the following fees. These charges cover the administrative costs of copying and mailing such records:

- \$32.00 initial fee and includes one clinic visit
- \$61.00 initial fee and first 22 pages

FMLA and other Disability Paperwork

Completing disability, FMLA and other requested supplemental insurance forms requires time away from patient care and day-to-day business operations. Therefore, a pre-payment of \$25.00 per form is required. Please understand that to complete forms, your medical record must be reviewed, forms completed and signed by the physician, and scanned into your Electronic Medical Record. Some of these forms can be quite complicated and tedious to fill out. Please provide pertinent information like dates of disability and return to work date. Please allow the office 10-14 business days in which to review your medical record for the information requested and completion of the form.

I, _____, understand and agree with the above Patient Financial Policy.
